Eine Typologie des Informationsverhaltens der Deutschen in der Corona-Pandemie unter Berücksichtigung von Themenverdrossenheit [A typology of information seeking behaviors]. In F. Sukalla & C. Voight (Eds.), *Risiken und Potenziale in der Gesundheitskommunikation* [Risks and potentials in health

communication research] (pp. 31-42). Deutsche Gesellschaft für Publizistik und Kommunikationswissenschaft e.V. <https://doi.org/10.21241/ssoar.74688>

Reinhardt, A., Jäger, S. & Rossmann, C. (2019). Gesundheits- und Risikokommunikation in den Gesundheitsberufen [Health and risk communication in healthcare]. In R. Haring (Ed.), *Gesundheitswissenschaften* [Health science] (pp. 257-267). Springer.

Reinhardt, A. & Rossmann, C. (2019). Erotik in der Gesundheitskommunikation [Erotic appeals in health communication]. In C. Rossmann & M. Hastall (Eds.), *Handbuch der Gesundheitskommunikation* [Handbook of health communication] (pp. 481-492). Springer.

TALKS AND PRESENTATIONS

A) PEER-REVIEWED PRESENTATIONS

Reinhardt, A., Matthes, J., Bojic, L., Maindal, H. T., Paraschiv, C. & Ryom, K. (2025, June 12-16). Help me, Doctor AI? A Cross-National Experiment on the Effects of Disease Threat and Stigma on AI Health Information-Seeking Intentions. 75th Annual Conference of the International Communication Association, Denver/USA.

Eitze, S., & **Reinhardt, A.** (2024, November 20-22). Keep Period Pain a Secret? Expanding the Theory of Planned Behavior with Endometriosis Knowledge and Menstrual Stigma to Explain Women's Intentions to Talk About Menstrual Discomfort. Annual conference of the DGPK group Health Communication, Luzern/Switzerland.

Rossmann, C. & **Reinhardt, A.** (2024, September 24-27). Threat, self-protection, or prosocial? The effects of message appeals on young adults' COVID-19 protection measures. 10th European Communication Conference, Ljubljana/Slovenia.

Reinhardt, A., Prandner, D., Mayen, S., & Wilhelm, C. (2024, September 18-20). Bridging Data Gaps via Data Fusion? A Case Study Using Time-Use and Academic Performance Data. Annual conference of the DGPK groups Methods & Digital Communication, Hamburg/Germany.

Reinhardt, A., Mayen, S., & Wilhelm, C. (2024, June 20-24). Uncovering the missing pieces: Predictors of non-response in a Mobile Experience Sampling study on media effects among youth. 74th Annual Conference of the International Communication Association, Gold Coast/Australia.

Reinhardt, A., Wilhelm, C., & Mayen, S. (2024, June 20-24). Game-changer or game over? Experimental testing of active vs. passive inoculation interventions in school settings. 74th Annual Conference of the International Communication Association, Gold Coast/Australia.

Mayen, S., **Reinhardt, A.**, & Wilhelm, C. (2024, June 20-24). Revealing the interplay between digital media use and adolescents' affective well-being: Results of a Mobile Experience Sampling study. 74th Annual Conference of the International Communication Association, Gold Coast/Australia.

Mayen, S., **Reinhardt, A.**, & Wilhelm, C. (2024, June 20-24). Poster: The role of digital media activities in shaping adolescent learning and academic performance. 74th Annual Conference of the International Communication Association, Gold Coast/Australia. * **Top Poster Award**

Wilhelm, C., **Reinhardt, A.**, & Mayen, S. (2024, June 20-24). Does Context Matter? How Time, Space, and Social Context Shape Adolescent Media Use. 74th Annual Conference of the International Communication Association, Gold Coast/Australia.

Wilhelm, C., **Reinhardt, A.**, & Mayen, S. (2023, March 13-15). Eine Frage des Kontexts? Eine Mobile-Experience-Studie zu raum-zeitlichen und sozialen Bedingungen jugendlicher Mediennutzung [A question of context? A mobile experience study on the spatio-temporal and social conditions of young people's media use]. DGfK Annual Conference, Erfurt/Germany.

Reinhardt, A., Wilhelm, C., & Mayen, S. (2023, May 19-20). Serious Games als Heilmittel gegen Fake News? Entwicklung eines Inoculation Web-Games zur Einbindung in den Schulunterricht [Serious games as cure to fake news? Design of an inoculation web game for educational purposes]. DGfK Annual Conference, Bremen/Germany.

Reinhardt, A., Wilhelm, C., & Mayen, S. (2023, May 26-29). Time for Digital Media but no Time for School? A Media-Generational Investigation of Displacement Effects Among Adolescents. 73rd Annual Conference of the International Communication Association, Toronto/Canada.

Eitze, S. & **Reinhardt, A.** (2023, May 26-29). Awareness, knowledge, and stigma in the context of endometriosis campaigns and policy design – Nobody has a monopoly on wisdom (yet). 73rd Annual Conference of the International Communication Association, Toronto/Canada.

Mayen, S., **Reinhardt, A.**, & Wilhelm, C. (2023, May 26-29). Measuring youth digital media use: A comparison of app- and web-based Mobile Experience Sampling tools. 73rd Annual Conference of the International Communication Association, Toronto/Canada.

Ort, A., **Reinhardt, A.**, Wirz, D., Koch, L., Fahr, A., & Rossmann, C. (2023, May 26-29). Are we actually feeling ourselves? Potentials and limitations of measuring arousal using physiological measurement vs. self-reports. 73rd Annual Conference of the International Communication Association, Toronto/Canada.

Mayen, S., **Reinhardt, A.**, & Wilhelm, C. (2022, October 6). Instrumente zur Messung jugendlicher Mediennutzung: Ein Vergleich von App- und Web-basierten Mobile Experience Sampling Tools [Instruments to measure adolescents' media use: A comparison of app- and web-based MES tools]. Annual conference of the DGPK group Media Education, Hamburg/Germany.

Reinhardt, A., Rossmann, C., & Weber, W. (2022, May 26-31). Factors of planned compliance with COVID-19 protective measures in phases of re-opening: Results from a multi-methods study among adolescents and young adults. 72nd Annual Conference of the International Communication Association, Paris/France. * **Best Paper Panel**

Wiedecke, A., Brill, J., Rossmann, C., Stehr, P., **Reinhardt, A.**, Temmann, L.J., Weber, W., & Wendt, K.M. (2021, November 17-19). Themenverdrossenheit in der COVID-19-Pandemie. Mehrmethoden-Design zur Analyse der TV-Berichterstattung und ihrer Wahrnehmung durch Rezipierende [Topic fatigue during the coronavirus pandemic. A multi-methods study investigating media coverage and recipients' receptions]. 6th Annual Conference of the DGPK group Health Communication, virtual conference.

Ort, A., **Reinhardt, A.**, Koch, L., & Rossmann, C. (2021, April 7-9). Message Framing und Emotional Flow: Wirksamkeit von uni- und multivalenten Gewinn- und Verlust-Frames zur Förderung von Sonnenschutzverhalten [Message framing and emotional flow: Effects of uni- and multi-valent framing on sun protection behavior]. DACH conference, virtual conference.

Reinhardt, A., Weber, W., Rossmann, C., Stehr, P., Brill, J., Temmann, L. J., & Wendt, K. N. (2020, November 12-13). Eine Typologie des Informationsverhaltens der Deutschen in der Corona-Pandemie: Einsetzende Themenverdrossenheit führt zur Zunahme von Informationsvermeidenden [A typology of information seeking behavior during the coronavirus pandemic]. 5th Annual conference of the DGPK group Health Communication, virtual conference.

Rossmann, C., Stehr, P., Brill, J., **Reinhardt, A.**, Temmann, L. J., Weber, W. & Wendt, K. N. (2020, November 12-13). Gesundheitsinformationsverhalten in Krisenzeiten: Determinanten der Informationsaufnahme und -verarbeitung deutscher Bundesbürger*innen zu Beginn der SARS-CoV-2-Pandemie [Health information seeking during the crisis – predictors of information seeking behavior at the beginning of the coronavirus pandemic]. 5th Annual conference of the DGPK group Health Communication, virtual conference. * **Best Paper Panel**

Reinhardt, A. (2020, May 21-25). Radio public service announcements to promote vaccination behavior in older ages: effects of distraction and framing. 70th Annual conference of the International Communication Association, virtual conference.

Koch, L., Ort, A., **Reinhardt, A.**, Weber, W., Rossmann, C., & Fahr, A. (2020, April 2-4). The impact of mixed-valence frames on sun protection – new insights into gain-loss framing considering emotional flow and arousal. Kentucky Conference on Health Communication, virtual conference.

Heinemeier, D., **Reinhardt, A.**, Hanke, R., Betsch, C. & Rossmann, C. (2019, May 24-28). Insights into the vaccination60+ campaign design – Ideation and evaluation of campaign concepts and ideas. 69th Annual conference of the International Communication Association, Washington, D.C./USA.

Reinhardt, A. (2019, May 24-28). Prospect theory and age: The mediating effect of psychological reactance on vaccination attitudes and behavioral intentions in younger and older adults. 69th Annual conference of the International Communication Association, Washington, D.C./USA.

Weber, W., **Reinhardt, A.** & Rossmann, C. (2019, May 24-28). Lifestyle segmentation to explain health information seeking behavior of older adults – results of a representative telephone survey. 69th Annual conference of the International Communication Association, Washington, D.C./USA.

Reinhardt, A. & Rossmann, C. (2018, November 15-17). Einflussfaktoren des Message Framings bei Senioren im Impfkontext [Moderators of framing effects in the context of vaccination promotion among older adults]. 3rd Annual conference of the DGPK group Health Communication, Augsburg/Germany.

Weber, W., **Reinhardt, A.** & Rossmann, C. (2018, November 15-17). Welche Rolle spielen Gesundheitsinformationen im Internet für Ältere? Ergebnisse einer repräsentativen Telefonbefragung unter Berücksichtigung von Lebensstilen [Online health information seeking behavior of older adults in Germany]. 3rd Annual conference of the DGPK group Health Communication, Augsburg/Germany.

Reinhardt, A., Weber, W., Hanke, R., Rossmann, C. & Betsch, C. (2018, May 24-28). The effects of message framing on acceptance of influenza and pneumococcal vaccine among older adults. 68th Annual conference of the International Communication Association, Prague/Czech.

Rossmann, C., Betsch, C., Hanke, R., Weber, W., **Reinhardt, A.** & vaccination60+ study group (2017, November 15-17). Für das Plus im Leben: Evidenzinformierte Planung einer Kampagne zur Förderung der Impfbereitschaft bei Menschen ab 60 Jahren [Evidence-based development of a health campaign to promote vaccination behavior of older adults]. 2nd Annual conference of the DGPK group Health Communication, Erfurt/Germany.

Krenkel, K., **Reinhardt, A.** & Rossmann, C. (2016, November 23-25). Die Bedeutung von summarischen Realitätsbeschreibungen und Fallbeispielen auf Arztbewertungsportalen im Internet [Effects of base-rates and exemplars on doctor rating websites]. 1st Annual conference of the DGPUK group Health Communication, Hamburg/Germany.

B) INVITED TALKS & GUEST LECTURES

Reinhardt, A., (2025, June 26). Impfskepsis verstehen und begegnen: Gründe des Nicht-Impfens und wie sie adressiert werden können [Understanding and countering vaccine hesitancy: Reasons for non-vaccination and how they can be addressed]. 66. Seminar für ärztliche Fort- und Weiterbildung, Westerland/Germany.

Wilhelm, C., **Reinhardt, A.**, & Mayen, S. (2025, January 20). Investigating youth digital media use: between displacement, well-being, and school performance. *Research Talk Series*. University of Vienna, Department of Communication, Vienna/Austria.

Reinhardt, A. (2022, November 10). Theory- and evidence-based health campaign planning: Dos and Don'ts. KU Leuven/Belgium.

Reinhardt, A. & Weber, W. (2020, December 4). Erstellung einer Impfkampagne am Beispiel von impfen60+ [Development of a vaccination campaign: The vaccination60+ campaign]. FU Berlin/Germany.

Reinhardt, A. & Heinemeier, D. (2019, January 30-31). Pitching innovative campaigns to increase influenza uptake rates - The vaccination60+ campaign. Expert Meeting of the International Federation on Ageing, Berlin/Germany.

Reinhardt, A. & Weber, W. (2018, September 22). Erste Ergebnisse der Kampagne impfen60+ [Insights into the vaccination60+ campaign]. Thüringer Impftage, Erfurt/Germany.
